

Discover Hell Ville, capital city of Nosy Be. First stop the big village of Dzamandzar, where the former national Rhum and Sugar factory is located. Here you can walk through the small city streets, peak in the local markets and experience the local life. The trip continues Southbound towards the hectic city of Hell Ville, with its Tok Tok, the spice market and colonial houses, the old capital Amarodoka and many other surprises. Departure at 08:00, return at around 13:00.

Children under 12 years old	20 €

Outstanding! The best for those wanting to experience Nosy Be's endemic fauna and flora. The adventure starts on a pirogue taking you to the village of Ampasipohy, from there you will start your walk into the forest, looking for lemurs, chameleons and other reptiles in their natural habitat. A day lived close to Malagasy people to get in contact with a new interesting culture. It feels like living in a movie, but here everything is true. Departure at 09:00, return at around 18:00.

SPECIAL FULL-DAY SNORKELING

NOSY FANIHY + NOSY SAKATIA

A day in the sea
To admire its beauties
With 2 Snorkeling to fascinating.
Nosy Fanihy: Just twenty minutes

Sailing from the Andalusia you will immerse yourself in the turquoise sea of this sacred and uninhabited island. A beach of only corals and shells, the most absolute silence, the immensity of the ocean, a primary vegetation and its guardians, two sea eagles. Snorkeling about 30 minutes, refreshing on the beach and returning for lunch in the village.

Nosy sakatia: 15 minutes of sailing and you will experience the thrill of swimming with giant green turtles. Stop at the beach, visit the island's fishing village and plantations. Refresh on the beach and return. Snorkeling will be guided and assisted by a support boat (equipment rental is included).

The program of the two outputs may be reversed, depending on the tide conditions. Depart at 9:00 and return around 12:15. Afternoon departure at 14:30 and return around 17:15.
